### How to get to the meeting room:

**Room No. 17:** Entrance to the faculty building (address: Technická 4) at **position 2 in the map below**. Before the paternoster lift in front of you, turn left and pass through the door. Our room is on your right side in the middle of the corridor.

**Restaurace na Kotlářce** (at least one of the icebreaker events, address: Na Kocínce 210/3): See the map below, **the Finish position**.

In both cases **Start position** corresponds to the metro station Dejvická, green line A.

### For those unable to come in person:

All three meetings (CG, MC and WG6) are held in a room with a conference characteristics, where the sound from the room should be well transmitted also to the Teams application. The on-line connection thus should be possible. Feel free to use this opportunity, if you can join us online. However, only people from these three mentioned groups will get the invitation to the Teams call.
